

We at Electric Rainbow Entertainments will always put Safety first, so to avoid disagreements on the day **please Please PLEASE!!!!**

MEASURE YOUR GARDEN Carefully BEFORE WE COME TO DELIVER

Thank you.

Bouncy Castle Space Required to Erect a bouncy castle Safely

<u>10 Foot</u>	<u>Rock ' n Roll</u>	<u>Unit Height</u>	<u>Total Space required</u>
Blower & Inflation Tube Front Safety Fall off Mats Castle Length including Step Castle Width	5 feet long 3 x 6 feet each mat 12 feet 4 inch's 9 feet 9 inch's	9 feet high x	16 feet wide X 20 feet 4 inch's long (inc safety areas)

It is Recommended that a space of 1 metre or 36 inches is left clear around the whole of the castle to allow for the castle to “SWAY” from side to side.

Thank you.
